Dear Sir,

Subject: Feedback for the workshop on Resume Building and Interview Skills

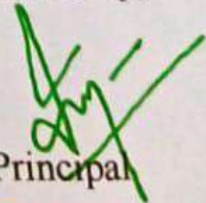

I am writing to extend my sincere appreciation for the recently conducted workshop on Resume Building and Interview Skills held on [20/07/2024 1.00 to 3.00 pm]. The session was immensely beneficial and exceeded my expectations in many ways.

Firstly, I would like to commend the structure and organisation of the workshop. The agenda was well-planned, allowing ample time for both theoretical learning and practical application. The materials provided, including the resume templates and interview guidelines, were extremely helpful and will undoubtedly serve as valuable resources in the future.

The trainer was exceptional. Their expertise and engaging teaching style made complex concepts easy to understand. The interactive elements, such as the mock interview sessions and resume review exercises, provided practical experience and real-time feedback, which were invaluable for understanding and improvement.

Yours Sincerely,

Principal
